Attendance Report

1006 tables (including NAP)

The 2008 total was 944 tables, so the attendance was up slightly but needed the NAP tables (most of whom would have played anyhow) to beat the 2008 total. The biggest change this time was that the 199er pair games were a go: in 2008 most of the 199ers didn't attract enough pairs.

Bridge by the Flag

Wrapup Edition

Bridge by the Flag was the Daily Bulletin of the 2009 Vancouver Regional, held at the Guildford Sheraton Hotel in Surrey, across the street from the flagpole that flew over Expo 86. At 86 meters it was the world's tallest free-standing flagpole at that time. When the fair ended the flagpole was moved to the Flag Motors car dealership here in Guildford.

As always, we thank all those who gave help, comments and advice on the Daily Bulletins. Even if it appears I have ignored your advice, you may see your ideas used in future tournaments—during the week there usually isn't time to try new things, but a lot of planning goes into each set, including ideas from players.

I look forward to visiting Spokane for the first time next year and hope I'll see you there.
