## Beautiful boards!

Please help us make them last!

All of us could do a better job in ensuring that our beautiful metal boards last. Commonly-seen infractions involving duplicate boards include the following:

Turning played boards over on the stack. The felt bottom on metal boards is there so that when they are stacked normally, the felt polishes the top of the board below. Turned over, you have felt polishing felt, and metal scratching against metal. The stickers on the top of the board come loose when they rub up against metal. And while they lie on the table upside-down, a card may be exposed to someone walking by: you can tell an honor from a spot card from the thumb niche in the bottom.

Many players don't like to have too many boards in the table stack. Fine, but please don't take the boards to be played later and drop them on the floor from a height of several feet! Or toss them to the next table without getting up! You'd never do this with a stack of CDs; why it is OK for a stack of boards? Unnecessary dents and paint chips reduces their lifespan. Get a chair and put boards on it. Or bend a little.

The stickers on boards, and especially the cards in them, often need to be replaced after thoughtless players finish a quickie meal from KFC and begin play without so much as a wipe. **Lynda Cole** will tell you about the tournament where they offered corn on the cob in the middle of a session...

A little common sense from everyone will make our bridge equipment go a long way. Please be considerate.

# Tuesday Afternoon 199er Pairs

60% for Shao and Chen

199er pairs games are blended into the side games or other events when there are not enough tables, which has happened on Monday and Tuesday evening. Let your under-200 friends know that there are games for under-200 players every day!

# Side Game Series Leaders

After two of six sessions in the FIRST Series

There are overall awards for each Side Game Series in the tournament. Individual players in each series are ranked by the sum of their two best games (in percent). The top six individuals will be eligible for overall awards. If you play more than two sessions, only your best two scores count. You need not play with the same partner: two 65% games with two different partners (in the same series) would get you on the leaderboard (probably close to the top). Here are the standings halfway through the FIRST series, which consists of afternoon and evening side games from Tuesday thru Thursday.

### Don't slow the game down!

Round timers show the amount of time left in a round: this one says there are 15 minutes left in round five. 7-8 minutes is the standard time for a single board, so a quick look at a clock will tell you when you need to speed up a bit. If you are behind, try to keep delays to a minimum.

# Tuesday Open Pairs

Two 63% sessions will usually get you something...

**Mike Moffatt** and **Kathy Adachi** were only a few matchpoints back of the lead at the break, but decided nothing special was needed: just another session above 63%. The result was a win by nearly a full board. **Malcolm McDonald** and **James Shaw** had a big evening session to take strat B, while **C. Tsou** and **Vincent Yung** were the only under-500 pair to break average in the tough field.

# Tuesday Evening Swiss Teams

Winners: **BALLANTYNE (91.25%)**, **DODGE, DILKES / McNAMES (tie)**

BALLANTYNE's 73 VPs out of a possible 80 is a rare score indeed, but they did need 2VPs in the last round to clinch (and got 14). The race for second was won by the DODGE team, who dodged the winners and took six VPs off them in the last round to secure second place, and first in B. The C co-winners, McNAMES and DILKES, met in the first round (McNAMES won 19-1) and then ended up tied after four.

The first **DINO Gazette** of 2008 has been released. It's green, free, and contains information on District Nineteen Sectionals and Regionals. It's a must-have for all tournament players. Also on the display desks (in both areas), in a slightly lighter shade of green, is the **Matchpointer**, the Vancouver Unit 430 newsletter, which was printed just days before the tournament. Local club managers should look for **Peter Morse** to arrange for a bundle to take to their clubs instead of taking them from the display tables.
