Saturday Flight B/C/D Pairs winners: **Cathy Miller** (a Silver Life Master) and **Tomie Yamanouchi**.

Congratulations!

Weekend Knockouts Bracket IV winners: **Baixiang Liu, Long Xie, Kai Zhou, and Roy Li**.

rooms at the back. If you win the side game or the Senior Swiss, please stop in on your way out to get a photo taken.

One more reminder that the next Regional in District 19 is the CBF-run Victoria/Esquimalt Regional, March 24-30. The next DINO-run Regional is the Penticton Regional, June 9-15. The final day of any Regional is a great opportunity to bring flyers back for your clubs. A large proportion of attendance at tournaments is simply awareness of them. Every tournament flyer that gets to a club anywhere potentially helps. Visit one of the flyer desks on your way out and take some with you.

Despite the new top bracket knockout awards, we have eight players within ten points at the top of the masterpoint list going into the final day. There will undoubtedly be a swing or two in the team games that decides who ends up on top!

Su-do-ku!

Your brain warmup

Sudoku means "single number" in Japanese. These puzzles do not require math skills, only simple logic. They might help you get into a logical mindset for good bridge!

To solve, fill in digits from 1 to 9 (no zeroes) such that every row, column, and 3x3 box contains each digit exactly once. No guessing is necessary; logic alone should be enough.

Want an endless supply? www.waynegouldpuzzles.com is where you can download the program for a 28-day trial, and purchase the full version once you are hooked.

Today's puzzle is rated **Hard** and it took me twenty minutes and thirty-two seconds. Beat that if you can!

The answer will be in the online Wrapup issue tomorrow.

Side Game Series Leaders

After four of five sessions in the YEAR END Series

There are overall awards for each Side Game Series in the tournament. Individual players in each series are ranked by the sum of their two best games (in percent). The top individuals will be eligible for overall awards. If you play more than two sessions, only your best two scores count. You need not play with the same partner: two 65% games with two different partners (in the same series) would give you a fine score of 130%. Here are the standings with one session to play in the SECOND series.

MORNING Side Game Series Overall Awards

Winners: Charlotte Alekson and John Coone, 128.67%

Because people will ask, side game series overall awards replace the session awards you win, if greater. You get either the overall award for finishing highly in the series, OR the sum of your session awards, whichever is greater. That's why third paid more than first-second in this case. It happens.

The first *DINO Gazette* of 2008 has been released. It's green, free, and contains information on District Nineteen Sectionals and Regionals. It's a must-have for all tournament players. Also on the display desks (in both areas), in a slightly lighter shade of green, is the *Matchpointer*, the Vancouver Unit 430 newsletter, which was printed just days before the tournament. Local club managers should look for *Peter Morse* to arrange for a bundle to take to their clubs instead of taking them from the display tables.

HHIT breaks average (just barely)

Knockout Prognostications score 16 out of 32 points.

The Hideous Hog (In Training)'s knockout predictions took a serious beating in Reno, which HHIT blamed on a faulty roulette wheel in the casino. Knockout picks from before the semifinals are scored on a four point scale for each bracket: the Hog-In-Training scored 6 out of 16 in the Prime Time Knockouts, 4 for 4 in the Morning Knockout, and 6 for 12 in the Weekend Knockouts. HHIT claims that picking the Morning Knockout should be worth double since handicaps were involved.
